

# Sail-Away Contest Rules

## Eligibility

The contest is open to select GAINSCO independent appointed agents.

By entering this contest, you are acknowledging that you have obtained your manager's permission to participate.

## Duration

The contest runs Mondays through Saturdays, Feb. 1-28, 2018.

## How do I enter each day?

Quote and sell GAINSCO policies every day. Click the entry submission button in the email from GAINSCO or from the contest page. Follow the instructions to enter your policy numbers the same day they are sold.

NOTE: You must submit your numbers according to the process described here to be entered into the prize drawings.

## What are the prizes?

*Daily prize drawings:* Submit your GAINSCO policy numbers **the same day you complete them** in order to qualify for that day's prize. Seven people will win \$100 each day.

*Weekly prize drawings:* All valid entries for the prior week will be valid for the one weekly prize drawing. A total of three weekly prizes will be awarded.

*1st weekly prize will be drawn by 2/12 for submissions made 2/1-2/9*

*2nd weekly prize will be drawn by 2/19 for submissions made 2/11-2/16*

*3rd weekly prize will be drawn by 2/26 for submissions made 2/18-2/23*

*Grand prize drawings:* All valid entries during the contest time period will be considered for the grand prize. Three grand prize trips will be awarded.

## What counts as a valid entry?

The policy numbers must be submitted by a producer at a GAINSCO agency the same day they were written.

Every valid GAINSCO policy number submitted counts as an entry in the contest. Full Coverage policies count as two entries in the contest.

In Florida, any policy sold with Comprehensive and Collision counts as a Full Coverage policy.

Numbers must be actual policy numbers assigned by GAINSCO's website. Quote numbers and numbers from a previous day are not accepted.

There is no limit to the amount of numbers you can submit daily. However, only 10 numbers can be entered in a single daily entry form. To submit more than 10 numbers per day, click the "Submit Entries" button again and submit the additional numbers.

If an agency has multiple agency codes, the submitted numbers must be associated with the correct agency code in order to be valid.

Policy numbers initiated from a comparative rater can be submitted.

Numbers will be considered valid for a particular day's contest only if they are completed and submitted for the appropriate (same) contest day. For example, a policy sold on Monday will not be valid if you enter it the following Friday.

You will have until 11:59 p.m. to submit policy numbers for each day's contest.

## Winner selection

The winners will be selected at random from all valid submissions for the day/week.

Winners will be notified via phone and/or email.
