Agent Information

This manual is designed to provide our Agents with the necessary qualification and rating requirements for GAINSCO Auto Insurance® applicants. All submissions may be reviewed and underwritten based on their individual merits. This manual addresses minimum requirements and has been designed to provide information for the majority of eligibility and classification decisions encountered. For situations not addressed within these pages, or **IF IN DOUBT, PLEASE CALL CUSTOMER SERVICE BEFORE BINDING.**

BINDING AUTHORITY – NEW BUSINESS

Agents have immediate binding authority in accordance with all the rules and procedures set forth in this manual. Agent must be a duly authorized Agent of MGA Insurance Company, Inc. (“Company”).

The following conditions must be met:

- All the information entered into GAINSCOconnect.com must be submitted to the Company using the GAINSCOconnect.com website. Any ACORD Applications or other paper applications submitted by any other means will not be accepted.
- The application is completed in its entirety and all required documentation is obtained from the applicant, including but not limited to: a signed and completed application with exclusions and rejections as appropriate, and documentation for any discounts.
- The risk is not defined as being unacceptable in this manual.
- The appropriate down payment or full premium and any applicable fees are collected from the applicant and submitted to the Company.

Coverage is not bound and is considered null and void if the applicant’s down payment is returned by the bank or financial institution. Please notify the Company immediately upon receipt of notice of returned payment from the applicant’s bank or financial institution.

If an application is submitted with an incorrect driver class, surcharge, discount, etc. or without the required proof for a specific discount, the policy will be adjusted to reflect the appropriate rate level according to the rules set forth in this Personal Auto Program Rule Manual. Such adjustment will be applied as of the effective date of the policy.

BINDING AUTHORITY – ENDORSEMENTS

Endorsements shall be processed online at GAINSCOconnect.com. Endorsements processed online will detail any additional premium and any amount to collect and will generate an endorsement confirmation page that may be e-signed by the named insured. Otherwise, an endorsement form signed by the named insured must be maintained in the agency’s file. If an endorsement results in a return premium, the insured will be credited, and remaining payments will be lowered.

Agents must process endorsements the same day the Agent is notified by the named insured. **AGENTS MAY NOT BACK DATE COVERAGE.** However, Agents do have 72 hours binding authority (3 calendar days) from the time that the insured notifies the Agents. In these cases, the Agent is to send the endorsement to the Company for processing as soon as possible. If more than 72 hours has elapsed, the endorsement becomes effective the date and time of the phone call or fax, or day after postmark when the Agent notified the Company.

SEVERE WEATHER PROCEDURES

All submissions for new business and endorsements on existing policies that have an effect of increasing the company's exposure are suspended from the time the Company places this restriction on GAINSCOconnect.com.

Binding restrictions will not be lifted until notification is received from the Company.

AGENT DUTIES

The Agent must ensure compliance with all the Company's underwriting guidelines, procedures, and requirements. The Agent is responsible for ensuring that the entire application package, including exclusions and rejections as appropriate, is reviewed with the Applicant, and approved by the Applicant. The Agent is also required to verify the Applicant is the named insured prior to submitting any documents.

All applications must be submitted online using the GAINSCOconnect.com website. If you are unable to rate or bind an application through GAINSCOconnect.com please contact Customer Service or the Help Desk for assistance.

If the premium quoted to any applicant changes because of a consumer report, we will generate a letter pursuant to the provisions of the Fair Credit Reporting Act (FCRA). A copy of the FCRA letter(s) must be printed and provided to the applicant.

Agents must obtain the named insured signatures on our Oklahoma Automobile Insurance Application, offer of Uninsured/Underinsured Motorist Coverage, policy forms or statements, and any other documents. Where available, electronic signature is recommended using the GAINSCOconnect.com e-signature process. Other electronic signature services are permissible (e.g. services offered by DocuSign, EchoSign or other electronic signature service providers). The Agent is responsible for providing the Applicant the opportunity to consent to electronic signature. The Agent is responsible for complying with all applicable state and federal e-signature laws. **Only the named insured can complete their e-Signature; the Agent or Agent's representative cannot complete the process for the named insured.**

Agents must follow all documentation requirements provided by the Company or as required by Oklahoma laws and/or regulations. As such, Agents must keep all documentation that generates at point-of-sale as well as documents that are not Company generated for a minimum of seven (7) years after policy expiration or cancellation, or for the amount of time prescribed by all applicable laws and regulations, whichever is greater. Agents may scan documentation and retain electronic copies to satisfy the documentation requirements. Agents must notify the Company before destroying documentation and allow the Company the opportunity

to obtain copies before destruction. The Company reserves the right at any time to inspect all applicant files and/or require Agent to submit copies of documentation to us for audit/review purposes. In the event of a claim being filed regarding an application submitted by an Agency, the Agent is required to comply with all requests for documentation. Agents must also comply with requests for recorded statements or other assistance required for evaluating and processing the claim.

Failure to fulfill any or all of the Agents Duties may result in changes to the Agent's status with the Company, including suspension or termination.

VEHICLE INSPECTIONS

Vehicle inspections are required when an endorsement is made to the policy to add a vehicle with Comprehensive and Collision coverages, or to add these coverages to an existing vehicle.

Such vehicles are required to be inspected as follows:

- Verify that the VIN on the dashboard matches the VIN of the registration and application.
- Walk around the vehicle to check for existing damage. For all areas with existing damage, the damage must be clearly described on the inspection form and photos must be taken and retained.
- Odometer reading must be completed.

In lieu of a completed vehicle inspection form, the following photographs may be taken and retained with the application:

- Four corner photos: A photograph should be taken of each corner of the vehicle which in total will show the entire exterior of the vehicle.
- VIN: One clear photograph of the VIN plate located on the dash or door.
- Mileage: One clear, legible photograph of the vehicle odometer showing current mileage.
- Damaged Areas: Clear photographs of any existing damage on the vehicle must be obtained.

Exception: Vehicle inspections or photos are not required for newly purchased new vehicles if a copy of a licensed dealer's bill of sale, invoice or window sticker is retained with the application.

If a covered loss occurs to a vehicle with existing damage and it is determined that the producer did not actually inspect the vehicle and prior damages are paid for by the Company, the Company reserves the right to make a claim for these previous damages from the Agent.

COMMISSION

SURCHARGES

Driver points are based on all occurrences and/or violations with a conviction date in the thirty-six months immediately preceding the policy effective date. Any accidents listed on a motor vehicle report, application, or other underwriting report will be considered at fault unless a police report or written explanation is provided establishing facts demonstrating lack of fault which are not rebutted by information in the insurer's file from which the insurer in good faith determines that the insured was substantially at fault.

If multiple incidents occurred on the same day, the highest incident will be charged. If one or more serious violations occurred on the same day as an at-fault accident, such violations may be charged in addition to the at-fault accident.

All one vehicle accidents are considered at-fault. If an at-fault accident and a violation arise out of the same incident, the one resulting in the largest surcharge will apply. If an at-fault accident occurs in conjunction with a major violation, both incidents will be surcharged.

POLICY ACTIVITY

The following surcharge may apply to a renewal or replacement policy based on activity during the prior policy's term(s). If the activity is solely to correct an error, no surcharge will apply.

- **Prior Endorsement Activity:** A surcharge may apply based on the number of times any of the following are added, changed or deleted for the policy within 12 months prior to the renewal or replacement policy: Coverages, Deductibles, Vehicles, Drivers, Address, Garaging Location. Changes made at the same time will be considered one Endorsement.
- **Prior Vehicle Cancellation:** A surcharge may apply based on the number of times a vehicle was re-added to the policy after having been deleted within 36 months prior to the renewal or replacement policy
- **Prior Cancellation for Non-Payment of Premium:** A surcharge may apply based on the number of times the policy has been cancelled and reinstated for non-payment of premium within 36 months prior to the renewal or replacement policy.

ADDITIONAL SURCHARGES

- A surcharge may apply to any driver with a license status of Expired, Suspended, Cancelled, Revoked or if the license is unverifiable.
- Any driver added to the policy in term that is defined as being unacceptable in the underwriting rules/guidelines will be surcharged in addition to any other surcharges that may apply.
- If the garaging address or primary area of operation of any listed vehicle on the policy is moved outside of Oklahoma or if the insured moves their residence outside of Oklahoma a surcharge will apply.
- Any vehicle or coverage added in term that is defined as being unacceptable in the underwriting rules/guidelines will be surcharged in addition to any other surcharges that may apply.
- An unacceptable surcharge will apply to the policy if an endorsement is processed that makes the risk unacceptable
- A surcharge may apply to policies that do not have proof of prior insurance.
- A surcharge may apply to vehicles with a title indicating a Severe Problem.

Note: Within the first 45 days following the effective date of coverage, the addition of any driver, vehicle, or coverage, or a change that otherwise results in a risk that is unacceptable under our underwriting guidelines, may result in cancellation of the policy in lieu of the application of an additional Unacceptable Surcharge.

CANCELLATIONS

The Company may void the policy if the down payment is returned by the bank or financial institution. Agents must notify the Company immediately upon receiving notice of an insufficient payment for an amount due to the Company.

A request to cancel the policy must be made by the named insured, affirmed by the named insured's signature or recorded statement. The requested effective date of the cancellation cannot be earlier than the earliest of:

- the date the cancellation request was provided by the named insured to the Agent or Company
- the effective date of duplicate insurance coverage for the listed vehicle(s)
- the date shown on proof the vehicle is no longer owned by the insured person(s)
- the date the listed vehicle(s) license plate(s) were returned to the Oklahoma

Upon cancellation, earned premium will be calculated on a pro rata basis. Any premium collected but unearned will be refunded.

RENEWALS

A renewal policy will be issued after the expiration of the current policy period if all premiums owed on the current policy have been paid and the first payment of the renewal policy has been received prior to the expiration of the current policy term.

If the appropriate renewal payment is not paid and mailed (U.S. Postal Postmark) by the expiration date of the policy term, coverage will expire on the final day (expiration date) of the current policy term. There is no grace period.

REINSTATEMENTS

Reinstatements for nonpayment cancellations are permitted. Reinstatements can be processed for up to 30 days from the cancellation date either online or by contacting the Company's Customer Service Department.

Policies may be reinstated without a lapse in coverage. An inspection form may also be requested at the underwriter's discretion.

REWRITES

Rewrites can be processed online. A policy that cancels for non-payment may be eligible for the rewrite option after 30 days.

PREMIUM INSTALLMENT PLANS

The Company offers optional premium payment installment plans. The installment plans that are available to a policy will be displayed during the quoting process. The down payment must be collected from the insured at the time the policy is bound.

If a payment plan is selected, an Installment Fee may apply to each installment billed. If any installment payment is late, a Late Fee may apply. Unsuccessful payments or payments returned by the bank or financial institution may incur an NSF Fee.

Premium Determination

If an application is submitted with an improper driver class, discount, surcharge, etc. the policy will be issued at the appropriate rate level according to the rules as set forth in this manual.

DRIVER CLASSIFICATION

Age refers to the driver's age at policy effective date. A marital status of "single" in the rating pages refers to an unmarried, widowed or divorced. A marital status of "married" means a legally married person or a separated driver. If a driver is "married" and their spouse is not a ratable driver on the policy, classification "X" will apply.

PHYSICAL DAMAGE

For vehicles with physical damage (also known as FC or Full Coverage Profile), an Initial Model Age (MAGE) adjustment factor may apply to the liability coverages. The Initial Model Age of the vehicle represents the Model Age at the time the vehicle is added and will remain until the vehicle is removed or the policy expires.

REPORTS USED FOR UNDERWRITING

During the quote and bind process on the Company website GAINSCOconnect.com, reports are ordered as a part of our underwriting process. Data returned from these reports identifies information specific to the vehicle(s) and driver(s), such as length of ownership, incidents, license status, etc., which is used for underwriting and rating.

The Length of Ownership at the time the vehicle is added will apply to that vehicle until it is removed, or the policy expires. If the application indicates the vehicle has been owned less than three months, this will override the Length of Ownership report results.

INSURANCE SCORING

An Insurance Score based upon credit history information may be ordered for the named insured as part of the quote process. This score will be used to determine the Insurance Score Tier.

Please read the disclosure on the website to the customer and verify their permission to obtain the score. Select "Agree" only if the applicant gives permission to obtain the score.

Include the full name, address, date of birth, and last 4 digits of the applicant's Social Security Number to obtain the Insurance Score. An applicant has the right to not provide the last 4 digits of their Social Security Number, but this may result in a No-Hit result.

If a score is ordered and results in an applicant not receiving the maximum rate benefit, or a No Hit or "thin file" result is returned, provide the applicant with the FCRA notification that is generated by the website. If a customer suspect inaccuracies in their credit information, they may request a copy of their report by contacting the vendor as instructed in the notice provided.

The Company will re-order the score at least once every three years. At the request of the named insured, we will re-order the score up to once annually. When there is a new score, the new score will be used to determine the Insurance Score Tier beginning with the upcoming renewal policy period.

REPORT DATA CORRECTIONS

The insured may provide information to the agent correcting or supplementing any data received via an Underwriting Report, Insurance Score report, or any other report utilized in calculating premium. The forms the agent may use to assist the insured in submitting this information to us will be available on our website. All requests to update information will be reviewed and any appropriate policy data corrections will be applied, and the premium will be recalculated.

VEHICLE CHARACTERISTICS

Rating factors apply to each vehicle based on the vehicle's characteristics. New vehicle characteristics that are substantially similar to previous characteristics shall be classified according to that similarity. If any vehicle characteristics are unable to be identified, such characteristic will use a 'Default' rating factor.

Fees

Policy Fee: \$30 (split over payments) new business only
Installment Fee: \$8/installment for Bill by Mail, \$4/installment for Auto Pay
Late Fee: \$10 each occurrence
NSF Fee: \$25 each occurrence

All fees are fully earned and non-refundable.

Claims

All claims should be reported to MGA Insurance Company, Inc. as promptly as possible either by telephone or by having the customer report the loss online at GAINSCO.com. The phone number to report a loss is: 800-699-1561.

Material Misrepresentation

It is important that agents ask all questions directly to the applicant and clearly explain the consequences of providing false information. Complete and accurate information on the application is required to bind coverage. **MATERIAL MISREPRESENTATION MAY RESULT IN THE POLICY BEING DECLARED NULL AND VOID FROM THE INCEPTION AND WILL IMPACT THE INSURED'S RIGHTS TO POLICY BENEFITS.** It is important that agents explain that a claim may not be paid if false or misleading information is provided to us.

Misrepresentation includes, but is not limited to the following:

- Failure to disclose all drivers as described in this manual.
- Use of an incorrect garaging address.
- Failure to report all prior accidents or violations on the application.
- Failure to accurately report vehicle usage or vehicles available for use.
